

Publications for Parents resident in UK

Parents' Handbook

A booklet for parents having to consider *ending a pregnancy* because an abnormality has been diagnosed in their unborn baby. Helps prepare parents for some of the complex physical & emotional issues they may face.

Not received this booklet from your hospital?

Ask us for a complimentary copy.

Further copies £4, CD (audio) £10

Supporting You Throughout Your Pregnancy

A booklet for parents considering *continuing a pregnancy* after an abnormality has been diagnosed in their unborn baby. Helps prepare parents for some of the practical & emotional issues they may face. Not received this booklet from your hospital? Ask us for a complimentary copy.

Further copies £4, CD (audio) £10

Help for Fathers

A booklet for men, giving help & advice on coping after the loss of a baby.

£2

Help for Grandparents

For grandparents on coping with their grief & helping their children after the loss of a baby.

£2

Talking to Children

Looks at the complex issues parents face when talking to other children in the family about termination for abnormality. For all children, & teenagers, both at the time of the termination, & in later years.

£2

Another Pregnancy

Discusses issues around becoming pregnant again, after a termination.

Gives information on antenatal tests currently available & deals with some of the emotional implications of another pregnancy.
